# ELVIRA BYRNES

**Elvira Byrnes is an Ultra-Contemporary self-taught artist and an international Success Coach with a specialisation in unraveling the mysteries of the mind. Serving as a guide through the intricate landscape of thoughts, emotions, and memories, she aids individuals in breaking free from patterns and mental limitations, embarking on a transformative journey towards their goals.**

**An artist whose work is a profound exploration of courage and the boundless potential that comes from being brave. Elvira's art is a vibrant testament to the power of the human spirit, characterized by bold colors and dynamic forms that evoke a sense of fearless determination. Through her works, she inspires others to break free from the shackles of fear, encouraging a journey of self-discovery and limitless possibilities. Elvira's artistic journey is a celebration of bravery, resilience, and the transformative power of courage.**

AND SUCCESS

ELVIRA BYRNES

# INFLUENCES

- **Claude Monet - Brushstrokes and Light, Atmospheric Effects**
- **Henri Matisse - Vibrant Colors, Expressive Outlines**
- **Paul Cézanne - Geometric Shapes**
- **Picasso - Cubist Elements, Bold Colors, Simplified Forms, Abstract Representation**

**Elvira is a largely self-taught artist, former IT professional, acupuncturist and mind coach.**

**“In my artistic practice, I approach creation with a sense of spontaneity, curiosity, and joy, much like a child. The process is driven by an innate desire to explore and express without the constraints of technical precision or critical judgment.”-ELVIRA BYRNES**

**Please support a woman artist - it goes a long way.  
Thank you so much!**

**Elvira has been involved in supporting a monastic Buddhist school in the Northern India. She has raised funds for various projects such as basketball sports ground, water tanks installation, structural roof repairs and railing installation, food, clothing, medicine. Please help her continue the good work that benefits children from Tibet, India and Nepal.**
